Asian Geographic Magazines is to launch a new title, Scuba Diver Through the Lens, an international magazine dedicated entirely to underwater photography and videography.

Scuba Diver AustralAsia, a dive magazine covering the Asia-Pacific region, has teamed up with DivePhotoGuide.com, and fine art magazine Edition Fifty Fathoms to create the new title.

Scuba Diver Through the Lens will be published quarterly in both print and digital format in Singapore, and will be distributed globally through New York and Germany.

The first issue of Scuba Diver Through the Lens will be launched in November at the DEMA 2011 show in Florida, and will officially hit newsstands on 1 January 2012.
